Subject: SB 48

SB 48 needs to go NOWHERE. This is a bill which is dangerous to Michigan residents and cruel to the animals involved. Our government should not be out of touch with safety for Michigan residents, nor cruelty to animals.

SB 48: Animals; other; exemption from large carnivore act for certain businesses; expand to exempt businesses that allow patrons to come into contact with bears less than 36 weeks of age or bears that weigh 90 pounds or less and make other general revisions.
